Hobbs, New Mexico

Re: Application for Dual Completion of New Mexico State "BV" Well No. 1

Mr. A. L. Porter, Jr., Secretary-Director New Mexico Oil Conservation Commission Post Office Box 871 Santa Fe, New Mexico

Dear Mr. Porter:

Humble Oil & Refining Company requests administrative approval of the attached application for Multiple Completion of its New Mexico State "BV" Well No. 1 as a dual completion in the Bone Springs oil and Devonian oil zones. This well is located in Unit "A", Section 18, Township 18 South, Range 35 East, Lea County, New Mexico.

It is proposed to set 13-3/8" casing at approximately 300' and cement to the surface; 9-5/8" casing at approximately 3650' and cement back to base of salt section. One string of 2-7/8" and one string of 4-1/2" casing will be run in a common 8-3/4" well bore, as per schematic diagram and cemented back to 3800' using a two stage cementer set in 4-1/2" string at about 100' below the Bone Springs Pay.

Two copies of this application are being forwarded to your Hobbs office and one copy to each offset operator.

If this application cannot be approved administratively, please place on the earliest possible docket for hearing before the Commission.

Very truly yours,

HUMBLE OIL & REFINING COMPANY

Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.

NOTE: If the proposed multiple completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.
