Re: Les Cruces 062514-A

Empiring August 31, 1963

#### Gentlemen:

Your Notice of Intention to Brill well No. 1 M. Featherstone Federal (copy attached) in the SWidEt, sec. 20, T. 18 S., R. 33 E., M.M.P.M., Lea County, New Mexico to a depth of 4,800 feet to test the Fenrose Sand fermation is hereby approved subject to compliance with the provisions of the Oil and Gas Operating Regulations and subject to the following conditions:

- 1. Brilling operations so authorized are subject to the attached sheet for general conditions of approval.
- A daily progress report is to be furnished in duplicate from spud date until completion of the well.
- 3. Drilling rig must not be moved from well without prior approval from the Survey (30 CFR 221.34c).

Very truly yours.

Marine Carry States & Commency

James A. Knauf District Engineer

P.S. If the lease is to be considered for extension by diligent drilling operations, the lease rental must be timely paid.
