Gentlemen:

Texas Pacific Coal and Oil Company submitted an "Application For Dual Completion" for its State of New Mexico "AF" Well #1, located in Unit M, Section 8, Township 18 South, Range 35 East, Lea County, New Mexico.

The plat accompanying the application had the well located in Unit O, Section 8, but it should have been in Unit M. Attached is a plat correcting the location.

Corrected copies have been submitted to the Santa Fe office.

Sincerely yours,

TEXAS PACIFIC COAL & OIL COMPANY

Ed Poulter  
Petroleum Engineer
