Re: Application for Salt Water Disposal;
Texaco Exploration and Production Inc.
New Mexico "CR" State #3, Lusk Delaware Formation
Section 32 T-19-S, R-32-E, Lea County, New Mexico

Gentlemen:

Texaco Exploration and Production Inc. respectfully requests administrative approval for the conversion of the New Mexico "CR" State #3. This work will help reduce current operating costs. An attempt was made to notify the offset operator. C & K Petroleum is no longer in business and their well is plugged and abandoned. Administration approval is requested so that the necessary operations can be advanced in a prudent manner.

Yours very truly,

Terry L. Frazier
