Re: Application to Dual Complete
State "AF", No. 3, Section 8,
T-18-S, R-35-E, Lea County,
New Mexico

Dear Sir:

Texas Pacific Oil Company respectfully requests administrative approval to dual complete the State "AF", Well No. 3 located in Unit L, Section 8, T-18-S, R-35-E, Lea County, New Mexico. A similar multiple completion was granted administrative approval (Number MC-1411) to Continental Oil Company for their State E-35, Well No. 9.

Copies of this application have been sent to all offset operators together with waivers for their signed approval which they will forward to you.

Provided administrative approval cannot be granted, Texas Pacific Oil Company requests that a date be set for a hearing as soon as possible.

Very truly yours,

Planned by: John H. Hendrix

(company), and that I am authorized by said company to make this report; and that this report was prepared under my supervision and direction and that the facts stated therein are true, correct and complete to the best of my knowledge.

Signature

- * Should waivers from all offset operators not accompany an application for administrative approval, the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If, after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed.
- NOTE: If the proposed dual completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the producing zones, then separate application for approval of the same should be filed simultaneously with this application.
