17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

In September of 1985 an intention was filed to plug and abandon the above well. A final attempt was made to pump the fluid level down to the seating nipple prior to plugging. Once this was accomplished, oil production began and Marathon decided not to plug and abandon the well. Attached with this C-103 is a C-116 for allowable purpose.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
