17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

We propose to do the following work on subject well:

1. Pull the rods & Pump equipment.

.

- 2. Acidize the existing perforations with 2000 gallons 15% retarded acid, and flush.
- 3. Swab well, recover load, re-run pump equipment, Test, and place well on production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
