LOG OF OIL OR GAS WELL

Company: James P. Dunigan
Location: Carbet-Wyatt Field, Garbin Area, New Mexico
Well No.: 33-1152
Date of completion: 1-15-50
The information given here is a complete and correct record of the well and all work done thereon.
The information is taken from all available records.
The information is given in detail in the history of the well.
The information is given in detail in the history of the well.

OIL OR GAS SANDS OR ZONES

IMPORTANT WATER SANDS

CASING RECORD

This is the greatest importance to have a complete history of the well. Please state in detail the dates of redrilling, together with the reasons for the work and its results. If there were any changes made in the casing, state fully, and if any casing was sidetracked or left in the well, give its size and location. If the well has been dynamited, give date, size, position, and number of shots. If plugs or bridges were put in to test for water, state kind of material used, position, and results of pumping or bailing.
