Attention: Mr. A. L. Porter, Jr.,  
Secretary and Director

Gentlemen:

Enclosed please find Sinclair Oil & Gas Company's "APPLICATION TO DISPOSE OF SALT WATER BY INJECTION INTO A POROUS FORMATION" along with pertinent attachments for our State Lea 403 Well No. 7 in the Vacuum Field Area, Lea County, New Mexico. Sinclair proposes to recomplete this dry hole so as to inject produced salt water from three (3) nearby leases into the Yates, Queen, San Andres and Delaware formations through subject well.

All Offset Operators within 1/2 mile of the well, the State Engineer and the Surface Lessees, as listed below, have been furnished copies of this Application and letter this date and are hereby requested, if they have no objection, to sign two (2) copies of the letter and return to the undersigned.

Please advise if you desire additional information concerning this matter.

Yours very truly,

*R. E. Powers*  
R. E. Powers,  
Engineering Supervisor
