13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was approved for TA status through August of 1996. We request additional approval to continue said status. A mechanical test was done in 8/95. Due to the location of this well between the East Corbin Delaware Unit and the proposed West Corbin Unit, we have plans to either recompleat said well or sidetrack.
