17. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well is shut-in during months when temperature goes below freezing because it produces fresh water which freezes to break lines etc.

Also this well is being re-evaluated for re-establishment of production.

18. I hereby certify that the information above is true and complete to the best of my knowledge and belief.
