LEA COUNTY, NEW MEXICO

Gentlemen:

In accordance with the provisions of Order No. R-3792, reclassifying the North Vacuum-Morrow Pool as a gas pool, amended Forms C-102 are submitted on the subject well. Because this well was originally drilled as an oil well and later reclassified as a gas well, administrative approval of the "1830' distance to the end boundary of the 320-acre proration unit" is requested.

Very truly yours,

for: Ira B. Stitt
