Attn: Mr. Morris Chambless

Gentlemen:

Division Order R-8159 has been issued approving the above well for a salt water disposal well. As per my conversation with you last week, I gave my permission for you to begin using the well again.

In order to bring our records up-to-date, you will need to file Form C-120A covering the water disposed into said well from the time it originally started through 1985, the time it was shut in. Also, it will be necessary for you to file the monthly disposal report beginning with February 1986 covering water disposed.

According to our records, dated July 6, 1976, this well was shut in pending need and OCD approval. Please file Form C-103 showing the current status of the well as an active disposal well.

Very truly yours,

OIL CONSERVATION DIVISION
