Hobbs, New Mexico 88240

Gentlemen:

The surface development plan for the proposed West Federal 7, No. 1 is as follows:

1. Existing roads - see attached maps.
 2. Planned access road - existing compacted road 1 1/4 miles from location. 1 1/4 mile of compacted road 12' wide to be built.
 3. Location of wells - see attached maps.
 4. Lateral roads to well locations - see attached maps.
 5. Location of tank batteries and flow lines - none on lease. Battery is to be installed on location if well is productive.
 6. Location and types of water supply - no water available in area. Water is to be hauled to proposed location.
 7. Methods of handling waste disposal - All litter and scrap material will be disposed of by removing to an operating sanitary land fill or by burying in a trash pit with a minimum of 24 inches of dirt.
 8. Location of camps - none in area.
 9. Location of airstrips - none in area.
 10. Location layout - see attached drawing.
 11. Plans for restoration of surface - area to be free of waste material. Pits are to be filled and leveled after completion of work.
 12. Other essential information - sandy soil with shinnery cover.
