

025-24744 - 1 CK prop code

if need change - opch screen } maybe
1-2-96 orgd stays the same
enter date
new prop code - 4 + 11

* Need to change acreage:

1. ^{Keep same or} Change date C102 to ~~what~~ date

acreage - Delete and use 1-2-96 (C102 date)

Go Back to C102 - Go Back to F12 should be gone.

Now you can add new acreage.
Should default to C102 date.

When you are done with this well

25-30575

add acreage

TLOG

wcomp - 104 date will be at Bottom of form 6-8-98
