Inexco Oil Company
1100 Milam Building, Suite 1900
Houston, Texas 77002

Gentlemen:

Enclosed is a copy of your report of operations on the Federal 12 Sicola well No. 1 located in the SW $\frac{1}{4}$ NE $\frac{1}{4}$ sec. 12, T. 19 S., R. 32 E., N.M.P.M., Lea County, New Mexico which has been accepted for record purposes by this office.

As we have noted on the accepted report, plugging of the Strawn as described therein is not considered acceptable for permanent abandonment purposes. Prior to setting any additional plugs above the Strawn, please contact this office for plugging requirements.

Additionally, acceptance of the report does not constitute approval of downhole commingling of the Bone Springs and Wolfcamp formations. Approval to commingle must be obtained from the New Mexico Oil Conservation Division. Please provide this office with evidence of approval to commingle, or of your plans to obtain approval, at your earliest convenience.

Sincerely yours,

Albert R. Stall
Acting District Engineer
