Gentlemen:

We propose to re-enter the Patterson Federal #1. This well was drilled dry and P&A'd December, 1979.

We propose to clean out the surface plug and attempt completion within the intermediate casing.

No new road or location will be required. The existing road and location is still in adequate condition to facilitate the work proposed.

Your consideration in the approval of this re-entry is appreciated. If you have any further questions, contact Lamar Ponder at (505) 393-4121 ext. 206.

Yours very truly,

*M. E. Akins*
