Dear Mr. Sims:

We have reviewed our proposed drilling operations in connection with the captioned well with Mr. George Stanley, Trust Officer, New Mexico Bank & Trust Company, Hobbs, New Mexico. The Bank is executor for the Estate of William Cecil Grimes, surface owner.

We have advised Mr. Stanley that the proposed well location falls adjacent to an existing lease road; therefore, no new road will be constructed. We have also advised Mr. Stanley that when drilling operations are completed the pits will be backfilled and leveled.

Yours truly,

W. Ray Reid
