Gentlemen:

This is to advise that on April 1, 1985 the Chama Petroleum Corporation, Pennzoil Fed #1 gas well located in Unit I of Section 1, Township 19, Range 33 Eddy County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative until permanent status of the measuring arrangement is determined. The disconnection was due to no production since April 19, 1983.

Yours truly,

Robert Patterson
Production Coordinator
