Gentlemen:

This is to advise that on December 23, 1982 the Gulf Expl. & Prod. Co.'s Federal Com. 4 #1 North Lusk Morrow gas well located in Unit K of Section 4, Township 19S, Range 32E, Lea County, New Mexico was disconnected from El Paso Natural Gas Company's gathering system. This meter is blind plated and will remain on location temporarily, but inoperative, until permanent status of the measuring arrangement is determined.

This disconnection was due to advise from the operator that the well is plugged and abandoned. (Meter # 58-359-01- Site Code #29640-01).

Yours truly,
