

INSTRUCTIONS

This form is to be filed into the report of the District Office of the Department not later than 30 days after the completion of any new drilled or deepened well. It shall be accompanied by one copy of all observed and measured data from the well, and a summary of all recorded tests conducted on the well. All pertinent reports shall be no more than 100 words in length. In the case of a well drilled by the State, the well shall also be reported. For multiple completion items, the thickness shall be reported for each zone. The form is to be filed in duplicate except on state land where only one is required. (Revised 1971)
