901 Petroleum Bldg.

Midland, Texas 79701

Gentlemen:

Re: Plugging Reports

Form C-103, Report of Plugging, for your Mobil State No. 1-F 7-17-34
Lease Well No. Unit S-T-R
cannot be approved until a Commission representative has made an inspection of the location
and found it to be cleared to comply with Commission Rules and Regulations. Please check
each item in the space provided to indicate that the work has been done.

- () 1. All pits have been filled and leveled.
- () 2. Rat hole and cellar have been filled and leveled.
- () 3. A steel marked 4" in diameter and approximately 4' above mean ground level has been
set in concrete. It must show the quarter-quarter section or unit designation,
section, township, and range numbers which have been permanently stenciled or
welded on the marker.
- () 4. The location has been leveled as nearly as possible to original top ground contour
and has been cleared of all junk and equipment.
- () 5. The dead men and tie downs have been cut and removed.
- () 6. If a one well lease or last remaining well on lease, the battery and burn pit
locations have been leveled and cleared of all junk and equipment.

The above are minimum requirements and no plugging bond will be cancelled until all locations
are plugged and abandoned wells have been inspected and Forms C-103 approved. When all of the
work outlined above has been done, please notify this office by filling in the blank form
below and returning this letter to us so that our representative will not have to make more
than one trip to the location.

Please submit Form C-105, Well Record,
two copies of a notarized tabulated
list of the deviation surveys, and one
copy of each log run on the well.

OIL CONSERVATION DIVISION

Edwin W. Sean
Oil & Gas Inspector

FILL IN BELOW AND RETURN

I certify that the above work has been done and the
is ready for your inspection and approval.
