Re: Walker Federal #1-D
Section 26, T18S, R32E

Gentlemen:

It is noted from a sundry notice received from the BLM that you plan to perforate the Grayburg formation in the above-referenced well and commingle with the Querecho Plains Queen production.

This will require a downhole commingle order from our Santa Fe office. Please see Rule 303-C for guidelines for making application.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
