33. Disposition of Gas (Sold, used for fuel, vented, etc.) Test Witnessed By

34. List of Attachments

35. I hereby certify that the information shown on both sides of this form is true and complete to the best of my knowledge and belief.

SIGNED James L. Sharp TITLE Agent DATE 1/18/84

This form is to be filled with the appropriate District Office of the New Mexico not later than 30 days after the completion of any newly drilled or deepened well. It shall be accompanied by one copy of all electrical and fluid flow logs run on the well and a summary of all special tests conducted, including drill stem tests. All log data reported shall be measured depths, in the case of directionally drilled wells, true vertical depths shall also be reported. For multiple completions, items 6a through 6d shall be repeated for each zone. The form is to be filled in quadruplicate except on slots level where six copies are required under Rule 1105.
