

7. Demand has been made upon the operator to either place said well to beneficial use or properly plug and abandon the same and the Operator has failed to do so.

WHEREFORE, The Supervisor of District II of the Oil Conservation Division applies to the Director to enter an order:

1. Determining whether or not the Thorne, T. 1 well should be plugged in accordance with a Division-approved plugging program;

2. Upon determination that said well should be plugged directing Marion A. Antevic as Operator (and Hartford Accident Indemnity Co. as surety) to plug said Crown #1 well within 45 days of the date of the Director's order.

3. Further ordering that if operator (or surety) fail to plug and abandon said well as ordered by the Director, that the Division be authorized to plug said well and to forfeit said bond, and further authorizing the Division to recover from the Operator any costs of plugging in excess of the amount of the bond.
