13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Floyd Operating Company hereby requests a one (1) year temporary abandon status for the following reasons:

- 1) well passed a new casing integrity test 9-16-97
- 2) current oil and gas prices do not economically justify a completion attempt into a possible behind pipe pay in the San Andres formation
- 3) we currently do not have surplus equipment in inventory which would be utilized on a recompletion attempt
- 4) equipment/facilities necessary to to recomplete the well is a tubing string, rods/pump(insert), pumping unit and saltwater disposal source
- 5) when the price of oil maintains above \$25/bbl, we would purchase the required equipment locate a feasible source for SWD, move in a workover rig, and recomplete the well.

14. I hereby certify that the foregoing is true and correct
