Re: Taylor "N" Well #1
Unit B, Sec. 14, T18S, R38E

Gentlemen:

The above-referenced plugged well location was inspected April 17, 1989, and is ready to be released. However, before the location can be released the following must be filed with this office.

- (1) C-105 -- Well Record (5 copies)
- (2) Drill Stem Test

This information was requested in our April 28, 1986, letter but was never filed.

As soon as these items have been received your location will be released.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
