Re: New Mexico R State NCT-3 TN #24-P
Sec. 1, T18S, R34E

Gentlemen:

We have not received the necessary forms to close out the file on this well.
The following items are needed:

- 1) Form C-105
- 2) Deviation Survey
- 3) One set of logs
- 4) Request for Allowable, Intent to Plug or Request for TA Status

This is our second request for this information. Your prompt attention
to this request will be appreciated since this well was drill in 1987.

Very truly yours,

OIL CONSERVATION DIVISION
