Re: Harvard Well #1-N
Sec. 31, T18S, R39E

Gentlemen:

Tempo became the operator of the above-referenced well in December 1988, and so far you have not filed the required completion reports -- Form C-105, Deviation surveys, and logs.

Please file these delinquent reports as soon as possible and advise your time-table for the proposed plugging of this well. We have had inquiries concerning the cleaning up of this lease.

Very truly yours,

OIL CONSERVATION DIVISION

Supervisor, District I
