Re: Elimination of Overproduction
Mobil Federal #1
1650/N & 330/W 21-19-32
Lea County, NM

Gentlemen:

Your letter requesting six months to evaluate the well and the producing reservoir has been received and your proposal is acceptable.

I will expect a letter from you by February 1, 1989, indicating that the overproduction has been eliminated or an outline of your proposed production rate to eliminate the overproduction by August 1989.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexto
Supervisor
