RE: Terra Enron "13" State Well #1
Lea County, New Mexico

Mr. Sexton:

Please find enclosed forms for the above referenced well as requested to authorize plugging of the well. We have all the forms requested except for the Notarized Deviation Survey (drilling company is no longer in business and we were unable to locate them).

I hope this will complete your records. If you have any questions or need any further assistance, please contact me at 817/692-3003.
