Sec. 35, T19S, R32E

Gentlemen:

Your intention to deepen the above-referenced well to the Morrow has been received from the BLM. This is to advise that the location, 800/N and 1650/E, is unorthodox for a Morrow gas well, and will require approval from our Santa Fe office before this well can be produced.

Very truly yours,

OIL CONSERVATION DIVISION

Jerry Sexton
Supervisor, District I
