 Outline the acreage dedicated to the subject well by colored pencil or hachure marks on the plat below. 											
If more than one lease is dedicated to the well, outline each and identify the ownership thereof (both as to working interest and royalty).											
3. If more than one lease of different ownership is dedicated to the well, have the interest of all owners been consolidated by communitization, unitization, forced-pooling, etc.?											
Yes No If answer is "yes", type of consolidation											
If the answer is "no", list the owners and tract descriptions which have actually been consolidated. (Use the convenience of th											
No allowable will be assigned to the well until all interests have been consolidated (by communitization, unitization, forced-pooling or otherwise) or until a non-standard unit, eliminating such interest, has been approved by the Division.											
a the man and a seem approved by the Division.
