13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

This well was TA'd in January 1994 and had a mechanical integrity test run on it in August of 1995 which was witnessed by a representative of the BLM. We respectfully request to continue said status. This well does have some uphole potential and also the lease is being reviewed for possible waterflood.
