13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the final site is ready for final inspection.)

✓ Plug-Back and Recomplete from the South Corbin Morrow Pool to the South Corbin Strawn Pool. If Plug-Back Recompletion is unsuccessful, then we will continue with the plug and abandonment of this well according to sundry notice which was approved by the BLM on 2-5-99.

See attached procedure for proposed plug-back recompletion.

This plug-back recompletion is also pending economic evaluation. If economics are bad, we will then proceed with the plug and abandonment of this well.
