Kate, the McMillan #2-K, 29-18-37 you sent in C-104 asking for Wildcat San Andres as the pool. In further checking we find that you are not in the San Andres but the Grayburg formation. With this being the case, we have placed this well in the Eunice Monument Grayburg San Andres Pool. We have sent a correct C-104 to your transporter. If you have any questions on this matter, please call the number above. Thank you Donna.
