RE: Unorthodox Location SMGSAU Tract 6 Well No. 10 1,310 ' FSL & 750' FWL Unit M, Section 29, T17S, R33E Lea County, New Mexico

Dear Mr. Lemay:

Cross Timbers Operating Company respectfully requests administrative approval to drill the captioned well at an unorthodox location.

It is Cross Timbers' opinion that a well at this location will respond to the secondary recovery efforts in the SMGSAU and recover oil that cannot be recovered by any other well in the unit.

Thank you for your consideration of this matter.

Sincerely,

any & MC ponel

Larr∳ B. McDonald Senior Vice President Production
