Dear Mr. Shackelford:

On February 6, 1998 a letter was mailed to Shackelford Oil Company in reference to the Mobil Federal #7 well, Sec. 21- T19S - 32E, Lea County, New Mexico. The letter requested correction of footages on the surface location, copies of well logs, and the deviation survey. The information was due to this office in 15 days. Since we have received no response from Shackelford, please shut this well in until the information is received by the Oil Conservation Division office in Hobbs, New Mexico

Sincerely,
