Gentlemen:

Per phone conversation between Dana Pearce and Donna Pitzer on November 16, Fossil Fuels will not drill this well at this location. They plan to submit another intent to drill, form C101 at a different location. Therefore, approval of your permit to drill this well has been canceled and no drilling operations are to be initiated without further notice to and approval by the Oil Conservation Division. This location will be considered as an abandoned location.

Very truly yours,
