

## SURFACE USE PLAN

Lynx Petroleum Consultants, Inc.  
Lusk 31 Federal #1  
990' FSL and 1650' FEL  
Section 31, T-18S, R-32E  
Lea County, NM

This plan is submitted with the "Application for Permit to Drill" the subject well. The purpose of the plan is to determine the location of the proposed well, the proposed construction activities and operations plan, the magnitude of necessary surface disturbance involved, and the procedures to be followed in rehabilitating the surface after completion of the operation, so that a complete appraisal can be made of the environmental effects associated with the operation.
