

NEW MEXICO ENERGY, MINERALS & NATURAL RESOURCES DEPARTMENT

Gary Johnson
GOVERNOR
Jennifer A. Salisbury
CABINET SECRETARY

12/1/00

Martin Joyce
Marbob Energy Corp.
P.O. Drawer 217
Artesia, NM 88211-0217

Reference: S.L. Deep #1, S32-T19-R32E:

Martin:

I do not have a problem with Marbob running three strings of casing in this section, since area wells have similar well construction. I do however, want Marbob to tie their production casing back with cement at least 500 feet inside the intermediate casing.

Sincerely,

A handwritten signature in cursive script, reading "Chris Williams", is written over the typed name.

Chris Williams
District 1 Supervisor
