13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

The previous APD (approved) was for re-entry of the old well at this location. This proved to be impossible because of junk in the hole. The attached APD is for a new location offset to existing hole and will be called the No. 97 and the old hole will remain a plugged and abandoned well under the original name. No. 97 Federal (USA) L
