Re: Form C-105 Magnolia-State #2
Sec. 32-19-33

Dear Mr. Kinney:

A check of the file on your plugged and abandoned Magnolia-State #2 shows that we have never received Form C-105, Well Record, on this well, although it was plugged in December of 1955. We shall appreciate it if you will file this form as soon as possible so that the records may be completed on this location.

Yours very truly,

OIL CONSERVATION COMMISSION
