Sec. 22, T17S, R34E

Gentlemen:

Form C-104 for a change of operator from Conoco Inc. to Premier Production Company has been received for the above-referenced well. This change cannot be approved until you have a plugging bond to cover this well. As soon as our Santa Fe office advises that your bond has been approved the C-104 will be approved.

If you have questions concerning your bond, please contact Diane Richardson in our Santa Fe office at (505) 827-5806.

Very truly yours,
