of such notification 12/19/62

CERTIFICATE: 1, the undersigned, state that I am the <u>Group</u> Supervisor ____ of the Socony Mobil Oil Company, Inc. (company), and that I am authorized by said company to make this report; and that this report was prepared under my supervision and direction and that the facts stated therein are true, correct and complete to the best of my knowledge.

<u>Signature</u> Should waivers from all offset operators not accompany an application for administrative approval; the New Mexico Oil Conservation Commission will hold the application for a period of twenty (20) days from date of receipt by the Commission's Santa Fe office. If,

after said twenty-day period, no protest nor request for hearing is received by the Santa Fe office, the application will then be processed. NOVE: If the proposed dual completion will result in an unorthodox well location and/or a non-standard proration unit in either or both of the , then reputate application for approval of the same should be filed simultaneously with this application.
