Gentlemen:

We would appreciate advice as to your disposition of Notice of Intention to Drill (C-101) Cole & Larden, Phillips State No. 2, 660 S & W/L section 29, T.17 S, R.34 E, Lea County. This office has not received approved copy of C-101, and the well is shown making location on October 8 Scout Report. Please advise return airmail.

With reference to C-110 approved by Mr. Roy Yarbrough on September 19, 1947, we would appreciate your designating the unit as "P" since this location is 660 from the south and east lines of section. Phillips State No. 2 is located in unit "M".

Thank you for your immediate attention.

Yours very truly,
