RE: Exemption to Rule 704.A. (1)
Phillips Lea Well # 4
Lea County, NM.

Dear Mr. Sexton:

Enclosed are Amended Copies of Form C-103 sent to you earlier dated 06/24/96. On the original report I failed to state the annulus was displaced with fresh water prior to setting the packer. I also failed to mention we would also run a spinner survey every third year if requested as part of our approval to operate this well.

Sincerely

David Hanger
Vice President
