.7. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

The Hale State lease is within the boundary of a proposed State Vacuum Unit waterflood being proposed. We are presently evaluating the merits of unitization. The well is currently on a temporarily abandoned basis.

For the above reason, may we request an exception to permanently plug and abandon this well?

Expires 5/1/17 (2)
