Gentlemen:

On March 30th, 1940, we inadvertently reported on your Form C-102, Notice of Intention to Test Casing Shut-Off, that 4173' of 5½" OD casing was set at 4184' with 200 sacks in our State of New Mexico "V" Well No. 4, Lea County, New Mexico, whereas, there was actually 4160' of 5½" OD casing set at 4171' with 200 sacks.

The above also being the case with reference to your Form C-103, dated April 2nd, 1940, Report on Result of Test of Casing Shut-Off, subject well.

We sincerely regret this error, and should there be anything further in this connection, please advise.
