

## NEW MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

## MISCELLANEOUS REPORTS ON WELLS

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut-off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission.

Indicate nature of report by checking below:

# THEORY OF THE EARTH

## CHAPTER I

### OF THE ORIGIN AND DEVELOPMENT OF THE EARTH

The first question which presents itself to the mind is, what was the origin of the earth? The answer to this question is, that the earth was created by the power of God, and that it was created out of nothing. The second question is, what was the development of the earth? The answer to this question is, that the earth was developed by the power of God, and that it was developed out of nothing.

The third question is, what was the origin of the life on the earth? The answer to this question is, that the life on the earth was created by the power of God, and that it was created out of nothing. The fourth question is, what was the development of the life on the earth? The answer to this question is, that the life on the earth was developed by the power of God, and that it was developed out of nothing.

1. The origin of the earth.

The first question which presents itself to the mind is, what was the origin of the earth? The answer to this question is, that the earth was created by the power of God, and that it was created out of nothing.
